## K 3000 Electric

Husqvarna K 3000 Electric is one of the market's most powerful and versatile electric cutters. The machine provides several new options and possibilities for cutting both indoors as well as outdoors. With an impressive 2700 W, you have enough power for cutting depths of 125 mm. Our K 3000 is ideal for rapid and simple cutting and adjusting building components, pipes, reinforcing steel and struts on site.

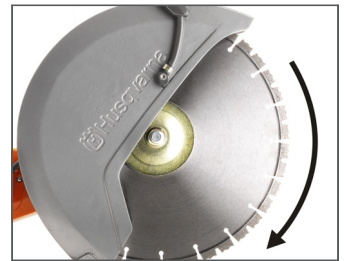

**ELGARD™**  
The advanced electronic overload protection – varies the rotation speed to warn of approaching overload.

**GENEROUSLY DIMENSIONED MITRE GEAR**  
Generously dimensioned mitre gear provides high durability, minimal power loss and low noise levels.

**ERGONOMICALLY DESIGNED REAR HANDLE**  
The convenient, patented design of the rear handle makes operation easier.

**PULLING ROTATION**  
Reduces the risk of sticking and kickback.

## Features

- Quick acting locks for the spindle and a large outlet in the blade guard simplifies blade replacement.
- Provides smooth and easy starting with normal, slow acting fuses.
- Overload protection
- Simple blade change
- Vacuum outlet in blade guard (12").
- Replaceable arbor bushing.
- Comfortable patented design of the rear handle makes work easier.

## Technical data

Engine	Electric 230V
Voltage	230/120/110 V
Rated current, A	12/15/20 A
Rated input	2700/1800/2200 W
Blade diameter	13.78 inch
Max cutting depth	4.92 inch
Weight (excl. cutting equipment)	19.62 lbs
Weight including cutting equipment	19.62 lbs
Vibrations front handle	3.5 m/s <sup>2</sup>
Vibrations rear handle	3.5 m/s <sup>2</sup>
Sound power level, guaranteed (LWA)	105 dB(A)
Sound pressure level at operators ear	95 dB(A)
